

S.Y. 2018-2019

SCHOOL-WIDE

Message from the Head of School

Dear Domuschola community,

I would like to take this opportunity to thank everyone, from the parents, students, teachers, and everyone else that is part of the Domuschola community for contributing to a great school year. Domuschola is constantly growing and changing for the better and I thank everyone for taking a part in it. Let us continue to work together in making sure that Domuschola is known to be a school that produces quality individuals both in terms of academic excellence and being a productive and helpful member of society. I look forward to the plans for next school year that are aligned with our pursuit of shaping Domuschola to be one of the top international schools in the country. Once again, thank you for a great year and I look forward to seeing everyone again next school year!

Mr. Jourdan Gan
Head of School
