Our very own, Joe Sarmiento participated and finished first place in Tigasin Triathlon 2019 (Triathlon Standard Distance 1.5kmSwim-40kmBike-10kmRun), while Mr. Angelo Flores (DIS teacher) joined and raced with 2 others under a Relay Team last May 5th at Lingayen, Pangasinan. Both of you truly embody the IB Learner Profile of being balanced and a risk-taker. Your Domuschola family is proud of you!

We are glad to share with you that last May 6, 16 Domuschola students, accompanied by some parents, visited Grace to Be Born Shelter. They donated household items such as milk, detergents, biscuits, noodles, diapers, and baby bottles bought from the cash collected at the Offertory during the First Holy Communion Mass last April 27. Families also brought toys, clothes, coloring books and crayons to the donation. The students enjoyed playing, feeding and hugging the babies and toddlers. What a meaningful experience for everyone!

Have a good weekend ahead!
