

## NEW STUDENT REFERRAL FORM

Thank you for referring another family to Domuschola International School—your confidence in our mission to blend home and school into a nurturing, inquiry-driven community truly warms our hearts. We're grateful for your continued support in helping foster a caring, globally-minded environment for all our learners.

For each successful new student referral, the **referrer receives Php 15,000** and the **referred student gets a Php 10,000 tuition credit**. Open to all currently enrolled students; incentives apply only if the referred student enrolls and pays at least the first semester fees.

**Process:**

1. Complete and sign the New Student Referral Form.
2. Email to [marcom.dismnl@globalschools.com](mailto:marcom.dismnl@globalschools.com) with subject: **New Student Referral Form Submission – [Referrer's Name]**.
3. The Admissions Team validates and endorses it to the Finance Department.
4. Referrers are notified when their incentive is ready; before issuance, we will request the referrer's bank account details to ensure correct processing. Tuition credit is applied automatically.

**Note:** Multiple referrals allowed; incentives are non-transferable, not convertible to cash, and follow the new student's payment schedule.
